AAA SITE SURVEY
NORTH VIETNAM

This site survey presents the results of an attempt to confirm through the use of aerial photography the AAA order-of-battle list for North Vietnam as compiled by COMUS MACV. In addition to those sites carried by COMUS MACV all other sites identified on the photography have been included. The list is presented in 5 parts in sequence as follows:

Installation Numbers . . . . . Part I
Abbreviated Names . . . . . Part II
Military District . . . . . Part III
Geographic Coordinates . . . . . Part IV
Not observed or Not covered . . . . . Part V

Targets reported as not observed are those over which photography was available but the site could not be identified. Those indicating not covered are instances where suitable photographic coverage is not available.
